Defined as any individual in CACTUS that was recommended for a license area of concentration during the 2007-08 academic year (9/1/2007 to 8/30/2008)
The attached data does not represent all license areas. Only the following license areas were included: Early Childhood Education (K-3), Elementary Education (1-8), Elementary Education (K-6), Preschool Special Education (Birth - age 5), Secondary Education (6-12), Special Education (K-12+). The following license areas were NOT included in this data, but would be available upon request: Administrative/Supervisory(K-12), Communication Disorders (K-12+), School Counselor (K-12), School Psychologist (K-12), School Social Worker (K-12), Speech - Language Pathologist.
Defined as the LEA at which the individual was employed during the 2008-2009 school year. This included all data in CACTUS, not just public schools. There is 1 individual in the population that worked in multiple LEAs and is therefore in the data twice. Please note that individuals employed at charter schools were combined into a single "Charter School" category. Similarly, individuals employed at various private schools were combined into a single "Private School" category. Please note that private school data in CACTUS does not include all private schools in Utah and is not as reliable as public school data.
The Utah institution that recommended the individual for the license area
of concentration.
On the Area by Inst. table, inidivduals that earned multiple license areas from the same institution are included in the counts for each license area earned. Therefore this column (Institution Total of Unique Individuals) was included to provide a total, by institution, without double counting these individuals.

	License Area of Concentration
